Subject: AZP facility

John,

I know we promised you our comments on the ISR Workplan by tomorrow. It looks like I'm not going to have them to you until Monday or Tuesday. I hope that doesn't cause too much of an issue.

Sorry for the late notice. Our draft comments have gone to our attorney and he has promised them to us by tomorrow. But, I'm thinking there is a good chance it will be next week before I get them to you.

Mark Wilkins, Env Program Consultant
